CHAIRMAN'S MESSAGE

BUILDING TODAY
FOR A BRIGHTER TOMORROW

At New Makta, we believe in building long-term relationships based on trust, performance and shared success. Our focus is on delivering quality, ensuring safety, and contributing to the sustainable growth of Qatar. We remain committed to excellence in everything we do.

With the support of our clients, partners, and a dedicated team, we continue to take on new challenges and create value through innovation, integrity and hard work. Our goal is to be a reliable partner in Qatar's journey towards a better and brighter future.

I extend my sincere appreciation to all our stakeholders for their continued trust and support.

Together, let us build a stronger Qatar.

TOMORROW

Safe People | Sustainable Projects | Stronger Communities

At New Makta, Health, Safety and Environment (HSE) is a core value and an integral part of our business. We are committed to providing a safe and healthy working environment for our employees, subcontractors, clients and all stakeholders, while minimizing our environmental impact and contributing to a sustainable Qatar.

We strictly comply with all applicable Qatari regulations, including Ministry of Labour, Ministry of Municipality and QatarEnergy requirements, and we continually improve our HSE performance through training, awareness and proactive risk management.

"Safety is everyone's responsibility"

ZERO HARM CULTURE

Our goal is to ensure no injury, no incident and a safe workplace for all.

ENVIRONMENTAL RESPONSIBILITY

Minimizing our footprint and protecting Qatar's environment for future generations.

LEGAL COMPLIANCE

Adhering to all Qatari regulations and international best practices.

CONTINUOUS IMPROVEMENT

Through training, awareness and regular performance monitoring.

OUR HSE COMMITMENTS

- ✓ Provide safe and healthy working conditions
- ✓ Comply with all legal and regulatory requirements
- ✓ Identify and mitigate risks before work starts
- ✓ Reduce waste, conserve resources and prevent pollution
- ✓ Ensure proper use of PPE and safe work procedures
- ✓ Promote HSE awareness and regular training
- ✓ Engage employees and subcontractors in HSE performance
- ✓ Achieve continuous improvement in HSE practices
